Testimonials

"A huge thank you to everyone at the Eagle Lodge for making our wedding day so special. Everyone put in such a effort on the run up to the big day and all the hard work paid off to make our wedding day the perfect day. The function rooms were exactly as we wanted them and looked so special with such attention to detail. The menus were perfect and everyone commented on how lovely the food was, and of course champagne flowing!

We had such an amazing day, a special thankyou to the Management who made sure everything went to plan, it was exactly what we had wished for and will be a day we will remember for the rest of our lives"

Fraser & Lindsay Hood

"We had our wedding ceremony and reception in the Eyrie Suite and the day went smoothly and without a hitch. From our first meeting until the big day itself, the staff were very professional and accommodating to all our wishes. The team helped us with the dressing of the tables, planning of the menu and drinks through to the evening entertainment, which made it all so easy for us.

All of our guests commented on how good the food and service was on the day. Our advice is that if you want a child friendly, family venue that will take all the stress off you and do exactly what they say they will do.... then choose The Eagle Lodge."

Testimonials

"Robert & I just wanted to thank you for all your help in making our day absolutely amazing. From the planning & organising to the final result. The Eagle Lodge did a brilliant job and we were both extremely happy with every aspect of our day.

The reception room looked amazing and we particularly liked the candelabras as they added a nice soft touch to the room. We have had many compliments about how good the meal was with high praise on the lentil soup! Our evening guests also raved about the buffet so compliments to the chef!

We would also like to thank the staff who worked that day, we know how demanding a wedding can be and they did a brilliant job, no request was too much hassle."

Vivien & Robert McMillan
